IN THE SPRING

When Energy and Vitality are
Lowest, then—Influenza!

(By S. C. BOWER, M. D.)

At this time of the year people feel weak,
tired, listless, their blood is thin, they have
lived indoors and perhaps expended all
their mental and bodily energy and they
want to know how to renew their energy
and stamina, overcome headaches and
backaches, have clear eyes, a smooth,
ruddy skin and feel the exhilaration of real
good health tingling thru their bodies.
Good, pure, rich, red blood is the best
insurance against ill of all kinds. You
are apt to suffer from an attack of In-
fluenza if your health is run down.

Purify the blood and you can defy
influenza. This is the time to clean
house and freshen up a bit.

Drink hot water a half hour before
meals, and for a vegetable tonic there's
nothing better than Dr. Pierce's Golden
Medical Discovery, the old-fashioned
herbal remedy, which has had such a fine
reputation for fifty years. It contains no
alcohol or narcotics and is made into table-
ts and liquid. Send 10 cents to Dr.
Pierce's Invalids' Hotel, Buffalo, N. Y.
for trial package.

Okolona, Ark.—"My little step-daughter
had scarlet fever and the fever left her
with a cough that lasted for four years,
and three bottles of Dr. Pierce's Golden
Medical Discovery cured her. She has
had no cough for six months. She stopped
growing after she had the fever, but since
she has taken the 'Discovery' she is grow-
ing fast. She is only 9 years old.
"I have Dr. Pierce's medicines in my
family for years and find them better than
they are claimed to be."—C. B. Osborn,

MORE BOQUETS FOR JONES

Assistant State Engineer Peabody
was in this portion of the state this
week inspecting the roads, in com-
pany with District Engineer D. W.
Jones. He marveled much at the mir-
acles in road construction over sand
dunes wrought by Mr. Jones and
stated that nowhere, to his knowledge
had anything approaching like results
under like conditions been obtained.
He complimented him highly both up-
on perfection of the road bed and the
economy in its construction. Mr.
Jones is working for federal aid on
the Portales-Clovis road and, if suc-
cessful, the clay platting on this high-
way will be doubled in thickness. Un-
less this is done the thin veneer of
clay covering it must soon wear out
and the road go back to sand. Mr.
Jones' idea is to put a heavy covering
of gravel over the clay platting.—Por-
tales Journal.

The Board of County Commission-
ers has decided that four dollar tele-
phones are too much of a luxury and
consequently have ordered the tele-
phones removed from the offices at
the court house beginning June 1st.
A phone will be retained at the jail
for the use of the sheriff. There are
at present seven phones in the court
house offices which necessitates an
expenditure of \$28 per month.
